**Reference:** Customer Service / Workmanship Excellence

Mr. Barro,

I just wanted to take the time to commend you and your staff on the caliber of workmanship & service you have been providing your customers in the past 10 years plus that I have been with GAF.

Calls come into our office from your customers with nothing but praise about the work you have done for them.

Keep up the great work and if there is anything I do to further assist you please feel free to contact me.
